

AMATEUR SPORTS INSURANCE PLAN

Add Property-Field Owners / Property-Field Lessors / Sponsors

PLEASE PRINT OR TYPE - USE BLACK INK

NOTE: Your teams are covered wherever they are playing scheduled games or practices – so it is not necessary to list every field or location. **ALL PROPERTY FIELD OWNERS AND LESSORS, AS WELL AS TEAM/LEAGUE SPONSORS ARE INCLUDED AS ADDITIONAL INSURED UNDER THE POLICY.** However, if you have a Property/Field Owner or Lessor, or a Team/League Sponsor that contractually requires you to name them as an additional insured under the general liability policy and requires a certificate of insurance use this form to request the certificate – or for fastest service use our new online Self-Issuance feature to issue these yourself.

Two Ways To Request Certificates of Insurance (COI)

1. Instantly Issue COI's Online:

For immediate service, you can self-issue your own standard COI's online by accessing the link that was provided on the initial email sent from Sadler **immediately** after you applied for coverage.

2. Print and Submit Paper Request Form

For delayed service, print, complete and submit this [Request Certificate Of Insurance](#) form. Once received, it may take Sadler Sports Insurance up to 6 business days to process your request.

Certificate Requests: If you do not provide the complete mailing address of the Certificate Holder or Additional Insured we cannot issue the certificate of insurance. Please note that certificates will not be sent directly to these entities – they will be sent to you for you to deliver. **NOTE:** If your property owner requires an "Additional Insured Endorsement" or any special wording or forms, you must specifically request this and send a copy of their requirements or instructions so that we can make sure we issue what they require.
