LIABILITY COVERAGES AND LIMITS

Commercial General Liability coverage protects the insured against liability claims for bodily injury and property damage arising out of the premises, operations, products and completed operations and personal and advertising injury.

Legal liability to participants offers protection against bodily injury liability claims brought by persons participating in fitness/exercise activities under the direction of the insured.

Professional liability provides protection against wrongful acts (breach of duty, neglect, error, omission, misstatement or a misleading statement in the discharge of fitness/exercise activities) that occur under the operations of the insured.

Abuse, Molestation, Harassment, or Sexual Conduct Defense Cost Reimbursement--Although claims arising out of abuse, molestation, harassment or sexual conduct are excluded under this policy, this coverage (subject to the specific terms of this endorsement) reimburses you for up to \$100,000 for defense costs resulting from abuse or molestation claims.
