FREQUENTLY ASKED QUESTIONS

1. How soon does coverage start? When will we receive proof of coverage?

Coverage can be bound the date after we receive a completed enrollment form and the appropriate premium. Please allow adequate time for us to process your enrollment form and issue certificates.

2. I periodically open my facility for an event such as a parent's night out activity. Do I have coverage for this?

You must report all events and activities that are held at your facility and under your direction supervision. Coverage will not extend to non-registered members in any activity unless you have reported those participants, paid the appropriate premium, and the activity has been approved by us.

3. We are a newly formed school and we are not sure how many students we will have, how should I report my student count?

You need to report the number of students you project to have within an annual term. You may add additional students at any time by using the dance supplemental form.

4. Is coverage under this policy extended to independent contractors (non-employees) working on behalf of the school?

Independent contractors (non-employees) are not covered under this program. We however, do offer an insurance program specifically designed for independent contractors that directly supervise an individual or group engaged in dance activities. Within this coverage, the independent dance instructor can list your school or organization as an additional insured while instructing at your school or as a part of your operations. Coverage for independent instructors can be purchased online at www.sadlersports.com or by contacting us.

5. Is my school covered for a recital or performance that we are hosting that involves non-registered students/members?

Coverage is included for recitals and performances you host that only include students/members of your school. To obtain coverage for an event that includes non-registered students/members, please contact us to obtain coverage for your recital or performance.

6. Am I allowed to transport students to activities such as classes, recitals or performances?

This insurance program does not provide coverage for the transportation of students. Should the transportation of students be necessary for your operation, we suggest that you consult a licensed insurance agent in your area to provide you with commercial automobile coverage for this type of exposure.

7. Will we receive a policy after submitting the enrollment form?

Coverage offered under this program is exclusively through Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member will receive their own certificate of insurance as their evidence of coverage. The limits of insurance apply individually to each insured member organization-there are no shared limits of liability with any other members. A copy of the RPG master policy can be requested in writing to: Sadler & Company Inc. PO Box 5866, Columbia, SC 29250 or sports3@sadlersports.com.

8. Do I have coverage for virtual training?

The policy is intended to extend bodily injury coverage for training available to your clients/members only (through a private platform such as a password protected website or a closed Facebook group) - Coverage does not extend to any training material that is accessible to the general public.

Reasonable precautions should be taken when assessing potential new clients/members online, including but not limited to: health assessments, waivers/release forms, and interviews prior to instruction or training. We encourage you to consult with an attorney to consider special waiver/release agreements that will apply specifically to virtual training.

Virtual training/instruction does not extend to any training/instruction that includes gymnastic apparatuses, tumbling, or stunting (including pyramids), or in-water activities. We do not provide coverage for cyber liability, so if you are taking payment or collecting personal information online and it is compromised, there would be no coverage under the general liability policy.
