

PROGRAM DESCRIPTION

This program has been designed for U.S.-based youth camp operations (those attended by campers age 19 or under) with programs dedicated to activities other than sports skill development. Coverage provided under this program includes important liability protection for the camp, including its employees and volunteers, for liability claims arising out of its operations. In addition, the program provides medical payments for participants coverage to the camp participants. Coverage can extend to those camps/clinics that have an overnight exposure as long as the camps/clinics are held at premises not owned or maintained by the insured. Coverage is provided on an annual basis, but only applies to those camp sessions that are specifically reported.

This program includes two options for coverage for claims arising out of sexual abuse:

Option 1: \$1,000,000 aggregate limit of liability (\$250,000 per occurrence) for sums the insured becomes legally obligated to pay as damages because of loss arising out of any actual or threatened sexual abuse. This limit is part of, not in addition to, the general liability limit selected.

Option 2: \$100,000 of coverage for reimbursement of defense costs only resulting from claims arising out of abuse, molestation, harassment or sexual conduct.

Coverage Conditions:

1. Coverage is contingent upon completion, as well as review and approval from us, of the underwriting questions found on page 9.
2. Coverage is not available on a stand-alone basis. You must have commercial general liability coverage for your camp or clinic with our Youth Day Camp Program.

FREQUENTLY ASKED QUESTIONS

1. When should I make my coverage effective?

The effective date is the date you need your insurance to start. For many, this is the first day of the camp or when you begin setting up. If you are renewing coverage with us use the expiration date of your coverage.

2. How do I calculate the premium? What is a minimum premium?

Premium is based on the actual or maximum number of campers expected times a rate. A minimum premium is the amount you must pay if your calculated premium is less than the minimum premium for the option you choose.

Example: A two-day camp that needs \$1,000,000 in coverage for 50 campers:

Step 1: Choose Option 1

Step 2: Take the daily session rate for Option 1, which is \$1.45 x 50 x 2 for a premium calculation of \$145.00

Step 3: Since the premium calculation is below the \$240.00 minimum premium for Option 1, the total premium due for this camp is \$240.00.

3. What if I have multiple camps scheduled and I am not sure how many participants will attend these camps? What do I report?

At the time of enrollment, please provide us a list of all your known camps. Use the maximum amount of campers that your camp can accommodate to calculate the premium due. TBD numbers will not be accepted.

4. What do I do if I add a camp after I submit my enrollment?

To provide coverage for a new camp not previously reported, you must inform us in writing of the new dates by completing a youth camp supplemental request form prior to the start date of the camp along with any additional premium due. Camps not reported to us prior to occurring will not be covered.

5. How do I report cancellations, changes or any additional camps after hours or on a weekend?

Since any changes to your coverage need to be reported prior to the scheduled start date or the first day of camp and

be submitted in writing, please either fax or e-mail us the necessary change as soon as you can. If you do not have access to fax or e-mail, please leave us a voicemail message and follow up with written confirmation as quickly as possible.

6. Will I receive a policy after I submit the enrollment form?

You will receive a certificate of insurance as proof of coverage. Coverage is offered exclusively through Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the insurance company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member receives their own certificate of insurance as their evidence of coverage. The limits of insurance apply individually to each enrolled member and there are no shared limits of liability with any other members. A copy of the RPG master policy can be requested in writing to: Sadler & Company Inc., P.O. Box 5866, Columbia, SC 29250 or email: sport3@sadlersports.com

7. Do I have coverage for virtual training?

Coverage does extend to incidental virtual training provided by you (the named insured) to your clients/members. The policy is intended to extend bodily injury coverage for training available to your clients/members only (through a private platform such as a password protected website or a closed Facebook group) - Coverage does not extend to any training material that is accessible to the general public.

Reasonable precautions should be taken when assessing potential new clients/members online, including but not limited to: health assessments, waivers/release forms, and interviews prior to instruction or training. We encourage you to consult with an attorney to consider special waiver/release agreements that will apply specifically to virtual training.

Virtual training/instruction does not extend to any training/instruction that includes gymnastic apparatuses, tumbling, or stunting (including pyramids), or in-water activities. We do not provide coverage for cyber liability, so if you are taking payment or collecting personal information online and it is compromised, there would be no coverage under the general liability policy.
